INVITED LECTURES/SEMINARS

Keynotes and Panel Discussant

1. Invited seminar 'Navigating the Transition: Western Australia's Evolving Mining Landscape' University of Vienna, 7 July 2026, Vienna, Austria.
2. Invited seminar 'Water Under Pressure: Climate, Industry and the Future of Western Australia', University of Oulu, 22 June 2026, Oulu, Finland.
3. Invited keynote 'The impact of downstream regulation on upstream production: the case of critical minerals'. University of Applied Sciences Weihenstephan-Triesdorf, 25 November 2025, Triesdorf, Germany.
4. Invited discussant 'Resource-making and global production networks in economic geography' University of Vienna, 23-25 April 2025, Vienna, Austria.
5. Invited discussant for Chicago Council & Perth USAsia Centre '*Advancing Critical Minerals Partnerships in the Indo Pacific*', Nov 12th 2024, Perth.
6. Invited as keynote speaker at the *Critical Minerals for a Just and Sustainable Transition Workshop,* Nov 13-14th 2024, University of Sydney, Sydney, funded by The Academy of the Social Sciences of Australia.
7. Invited as panelist on session on Japan-Australia collaboration in energy by PerthAsia Centre at the *Nagoya Dialogue 2024*, Oct 22nd, 2024, Nagoya, Japan.
8. Invited to conduct *Masterclass in Social Network Analysis* at UWA Ethnography Lab of Western Australia (ELWA), 4th Oct, 2024.
9. Invited to give seminar 'The Socio-Economic Impact of the Trans-Sulawesi Railway' via zoom and Youtube livestream to *Indonesian National Research and Innovation Agency (BRIN)*, 30 April 2024, Jakarta, Indonesia.
10. Panelist on 'Critical Minerals Supply Chain' panel discussion at *2023 Critical Minerals Conference*, Chaired by Dr Lynette Molyneaux, Director of the Advanced Materials and Battery Council.
11. Invited speaker at Australian-Indonesia Centre Transport Fellowship program 'Integrating Research Findings into Policy and Program Decision-Making: Makassar-Parepare Railway line' funded by the Australian Department of Foreign Affairs and Trade, Oct 31 2023, via zoom.
12. Australian Treasury *Research Policy Conference for Full Employment White Paper*, 3-4 April 2023, 'Managing Regional Transition' Discussant for panel speakers Prof. Alan Duncan (Director, Bankwest Curtin Economics Centre, Perth) and Damian Oliver (Assistant Secretary, (Workforce Futures of) Jobs and Skills Australia), Canberra Australia.
13. *Geography Seminar Series* (via zoom), January 2023, 'The Politics of Quality and the Decarbonising of Global Production Chains', Centre for Regional Science, Umeå University, Sweden.
14. Panel Chair Webinar (via zoom), 2022, *Geographical Research*, 'In conversation: Disruption, transformation and innovation in the peripheries', with Phil O'Neill, Sophie Webber, Sally Weller, Thomas Sigler, Tom Barrett, Anton Klarin, Al Rainnie, Alexander Wentworth Vaugh.
15. Panel member 2020 Westpac Scholars Spark Session 'Transformative and scalable solutions to shape the path towards a sustainable future in a post-COVID world'.
16. Invited Keynote (2020) at Institute of Australian Geographers (IAG) Conference on '*The 21st Century big switch-back: challenging and (re)creating inequality and disadvantage in the periphery*', Armidale, NSW. (Cancelled due to COVID-19 national shut down)
17. Panel Discussant (2019) on '*The Hardware of Place – Getting the planning, design and infrastructure right*' for National Growth Areas Alliance (NGAA) National Congress, The Vines Resort, Perth, W. Australia. See https://astrolabegroup.com.au/far-out-lessons-from-our-fastest-growing-suburbs/

18. Invited Keynote to 2019 *Geography Association of Western Australia Conference 'Australia's Decadal (Strategic) Plan for Geography: Geography – Shaping Australia's Future*' (16-17 August 2019). Perth, Western Australia.
19. Invited Keynote to 2019 SNU conference on '*The Global Connectivity of Chinese Cities*' (19-20 June, 2019), Shanghai Normal University, Shanghai, China (other key notes Peter Taylor, Jamie Peck, Ben Derudder, Thomas Sigler, Fenghua Pan). Presented paper '*The Globalising Experience of China and Its Cities: The 'Orient'ing of Global City Debates*'.
20. Invited Keynote to *2018 International Forum on Cantonology and Global City Development* (10-11 Nov, 2018) presenting paper '*The Industrial Composition of Guangzhou Firms in a Global Context: Evidence from Public Firm Data*', Guangzhou, China.
21. Invited Seminar (2018, Oct 25th) at UWA *Complex Systems Group Seminar Series* entitled '*Network Science as a method to investigate the world system: positioning Australian cities*'.
22. Panel Discussant for UWA Rio Tinto Student Leadership Program (24-27 Sept, 2018) at UWA for theme '*How do we ensure smart cities are inclusive?*'.
23. Invited Seminar for UWA Geography and Environment Study Group (Sept 19, 2018) '*Social Network Analysis: Data, Programs, Metrics and Applications*' at UWA.
24. Speaker at UWA Business School and UWA Public Policy Institute public discussion of '*Australia Update: Raising the Standard of Living*' (4 Sept, 2018), free public event.
25. Invited Seminar (2018, July 3) at University of Heidelberg *Research Lectures in Economic Geography Series* entitled '*Serious leisure seekers and science in peripheries: the case of bees and beekeepers*'.
26. Panel Member for special panel on Bees (2018, April) *American Association of Geographers* (AAG) '*Honeybee Geographies: Exploring New Productions of Nature, Space, Knowledge, and Power*' with other panelists – Max Spielgelberg (Research Institute for Humanities & Nature), Rebecca Ellis (Uni of Western Ontario), and Jennie Durant (UC Berkley).
27. Keynote (2017) '*Transformational Infrastructure Projects in Australia's Fast Growing Outer Suburbs: A Perth Perspective*' with As/pro Paul Maginn for National Growth Areas Alliance, NGAA 2018 Research Presentation – WA Launch.
28. Invited Seminar (2017) at University of Western Australia, *ARE/AARES-WA Seminar Series* entitled '*Regional Development in a Resource Production System*'
29. Key note (2016) '*From Fugli-burbs to Attracta-burbs: Understanding the social, economic and political challenges/opportunities for outer suburbia'* with As/pro Paul Maginn for National Growth Areas Alliance (NGAA) National Congress, Mindarie Marina, Perth, W. Australia. Media release.
30. Panel discussant (2016) '*Perth of Tomorrow: now to Build a Knowledge Capital*' for Knowledge Week, Perth Library, Perth, W. Australia.
31. Key note (2016) '*Life in the Outer…*' for National Growth Areas Alliance (NGAA) Fund Our Future Western Australian Branch Launch, Perth Convention and Exhibition Centre, Perth, W. Australia. Media release:
32. Panel Discussant (2016) '*Perth in Focus: Panel on Transport and Congestion*', Committee for Perth, Hyatt, Perth, W. Australia.
33. Invited seminar (2015) '*Opening the "Black Box" of Innovation Systems: An Australian Perspective'*. University of Kyoto, Kyoto, Japan.
34. Keynote (2013) '*Perth as a Global City*' at Food for Thought Luncheon Committee for Perth, Hyatt, Perth, W. Australia.
35. Invited Seminar (2010) '*Infrastructure for Knowledge Productivity*' to Japanese academic and industry professionals, University of Hyogo, Institute for Policy Analysis and Social Innovation, Kobe, Japan.

Conferences with Peer-Reviewed Papers

1. **Martinus, K.**, Sigler, T. & Loginova, J. (2018) The industrial composition of Guangzhou firms in a global context: evidence from public firm data. Paper presented at *2018 International Forum on Cantonology and Global City Development,* 10-11 Nov, 2018, Guangzhou, China.

2. Sigler, T., Parker, B. & **Martinus, K**. (2017) The corporate geography of Australian cities: Tracking change in ASX-listed firm headquarters, 2013-2016. Paper presented at the *State of Australian Cities Conference*, November 28-30, Adelaide, South Australia. Impact: *Subject of Australian Financial Review Article*
3. Mouat, C., Sigler, T., Searle G. & **Martinus, K.** (2016) Coordinated Governance or Neoliberal government: the "Committees for" in Australian Cities. Prepared for *Urban Geography Research Group Symposium*, April 28-29, Sydney.
4. Sigler, T., Searle, G., **Martinus, K.** & Tonts, M. (2015) Industrial location in Australian Cities: a comparative overview. Prepared for *Urban Geography Study Group Workshop*, April 27, Melbourne.
5. Biermann, S. & **Martinus, K.** (2013) Sufficiency of employment self-sufficiency targets in reducing the need to travel. Paper presented at the *State of Australian Cities Conference*, November 26-29, Sydney.
6. Plummer, P., Tonts, M. & **Martinus, K.** (2013) Endogenous Growth, Local Competitiveness and Regional Development: Western Australia's Regional Cities 2001-2011. Paper presented at *Sustainable Economic Growth for Regional Australia Conference*, October 16-18.
7. **Martinus, K.** (2012) Creating a knowledge region: the case of Kansai, Japan. Paper presented at the 7th *International Forum of Knowledge Asset Dynamics & 5th Knowledge Cities World Summit*, June 13-15, Matera, Italy.
8. **Martinus, K.** (2011) Integrating economic development into urban planning: Case study of Kansai, Japan, and Western Australia. Paper presented at the *World Planning Schools Congress 2011,* 4-7 July, Perth, Western Australia**.**
9. **Martinus, K.** (2010) Infrastructure characteristics of global innovation cities. Paper presented at the *Knowledge Cities World Summit*, November 16-19, Melbourne Convention Centre, Melbourne.
10. **Martinus, K.** (2010) *The coffeeless urban café: Understanding the attraction of urban space*. Paper presented at the Knowledge Cities World Summit, November 16-19, Melbourne Convention Centre, Melbourne.
11. **Martinus, K.** (2009) *Infrastructure for knowledge productivity: TOD's in Japan and Western Australia*. Paper presented at the State of Australian Cities Conference, November 24-27, University of Western Australia, Perth.

Conferences with Non-Peer Reviewed Papers

1. **Martinus, K.** (2008) *Planning for innovative cities in a knowledge economy.* Paper presented at the 9th International Cities Town Centres and Communities Society Conference, October 7-10, Sydney Olympic Park, Sydney.
2. **Martinus, K.**, Rowe, M., Burn, J. & Walker E. (2005). Beyond Clusters - Collaborative Commerce and Clustering. Paper presented at the *CRIC Cluster conference*, June 30-July 1, Ballarat, Victoria.

Conference presentations (no papers)

1. Martinus, K. & Panitz, R. (2025) The impact of downstream regulation on upstream production: the case of critical minerals. *Institute of Australian Geographers Conference*, Uni of Newcastle, Newcastle, NSW, 30 June – 5 July.
2. Panitz, R. & Martinus, K. (2025) Hydrogen-markets: who takes the risks and who is willing to pay the price?
3. *Global Conference in Economic Geography*, Worchester, MA, USA, June 4-8.
4. Martinus, K. Panitz, R. (2025) The impact of downstream regulation on upstream production: the case of critical minerals. *Global Conference in Economic Geography*, Worchester, MA, USA, June 4-8.
5. **Martinus, K.** Wang, P. & Lazega, E. (2024) Navigating Danger: Knowledge Flows across Refinery Crews and Workers. *Australian Institute of Geographers Conference*, July 1-5, University of Adelaide, Adelaide.
6. **Martinus, K.** Wang, P. & Lazega, E. (2024) Navigating Danger: Knowledge Flows across Refinery Crews and Workers. *American Association of Geography Annual Meeting*, April 16-20, Honolulu, Hawaii.
7. **Martinus, K.** (2023) 'Greening' the resource peripheries and small firm innovation. *7th Geography of Innovation Conference*, Jan 10-12, University of Manchester, Manchester.
8. **Martinus, K.** Wang, P. & Lazega, E. (2023) Navigating Danger: Knowledge Flows across Refinery Crews and Workers. *Australian Social Network Analysis Conference*, November 27-29, Sydney.
9. **Martinus, K.** (2023) Transformative change in the agricultural sector. *2023 Institute of Australian Geographers Conference*, July 4-7, Perth.

10. **Martinus, K.** & Nunez Picado, A. (2022) The politics of quality and the decarbonising of global production chains. *2022 Institute of Australian Geographers Conference*, July 5-8, Armidale, New South Wales.
11. **Martinus, K.** (2022) Informal and industry connectivities as new avenues for knowledge sharing and collaboration. *2022 Sunbelt Conference*, July 12-16, Cairns., Queensland.
12. **Martinus, K.** (2022) Process innovations as mechanisms for small to medium enterprise value creation and capture restructuring global value chains. *2022 Global Conference in Economic Geography*, July 12-16, Dublin, Ireland.
13. **Martinus, K.** & Nunez Picado, A. (2022) Politics of quality and the reshaping of global production chains. *2022 American Association of Geographers Annual Meeting*, Feb 25 – Mar 1, New York City / virtual.
14. Pratiwi, A., Matous, P., & **Martinus, K.** (2020) Migration and knowledge networks in peripheral farming villages in Sumatra Indonesia. *The Fifth Annual Australian Social Network Analysis Conference*, November 25-27, Perth.
15. Nunez Picado, A., **Martinus, K.,** & Sigler, T. (2020) Network structures and dynamics in the internationalization of Australian junior miners in Latin America. *The Fifth Annual Australian Social Network Analysis Conference*, November 25-27, Perth.
16. Loginova, J., Sigler, T., & **Martinus, K.** (2020) Global city networks of firms: the emergence of multiplex ties from multiple network layers. *The Fifth Annual Australian Social Network Analysis Conference*, November 25-27, Perth.
17. Guo, B., **Martinus, K.,** & Sigler, T. (2020) City networks and industrial interdependence via interlocking directorates: the case of Australia. *The Fifth Annual Australian Social Network Analysis Conference*, November 25-27, Perth.
18. **Martinus, K.,** Sigler, T., Iacopini, I. & Derudder, B. (2020) The networks brokerage role of small states, quasi states. *Sunbelt 2020*, Virtual, July 13 – 17.
19. Nunez-Picado, A., Sigler, T. & **Martinus, K.** (2020) Surging in new energy technologies: understanding the connectivities of Australian cities in the Chilean lithium and copper industries. *36th Conference of Latin American Geographers*, January 2-4, Antigua, Guatemala.
20. **Martinus, K.,** Biermann, S. & Nunez-Picado, A. (2019) Debunking self-sufficiency, self-containment and the jobs-housing balance: targeting strategic employment to population driven employment. *State of Australian Cities Conference*, December 3-5, Perth.
21. Guo, B. and **Martinus, K.** (2019) The disruptive corporate power and influence: director interlocks of the Australian resource sector. *State of Australian Cities Conference*, December 3-5, Perth.
22. Ligtermoet, E., **Martinus, K.,** Ramalho, C. & Pauli, N. (2019) Greening along the lines: stakeholder perspective on urban greening along street verges, road medians and streetscapes. *State of Australian Cities Conference*, December 3-5, Perth.
23. **Martinus, K.,** Sigler, T., Iacopini, I. & Derudder, B. (2019) Small state, quasi state 'brokerage' in global city networks. *The Fourth Annual Australian Social Network Analysis Conference*, November 28-29, Adelaide.
24. **Martinus, K**. (2019) Low-tech industries, serious leisure seekers, and innovation in the economic peripheries. *North American Regional Studies Association Conference*, Montreal, September 27-28.
25. **Martinus, K.** (2019) Low-tech industries, serious leisure seekers, and innovation in the economic peripheries. *Institute of Australian Geographers Conference*, Wrestpoint, Hobart, July 9-13.
26. **Martinus, K**. (2019) Low-tech industries and innovation in peripheries: community science as a regional development tool. *American Association of Geographers Conference*, Washington D.C., April 3-7.
27. **Martinus, K.,** Sigler, T., Iacopini, I. & Derudder, B. (2018) Relational economies in global corporate networks: the gateway role of small nation-states. *Global Conference of Economic Geography*, Cologne, July 24-28.
28. Sigler, T. & **Martinus, K.** (2018) Cities in Networks, or Networks in Cities. *Sunbelt 2018*, Utrecht, Netherlands, June 26 – July 1.
29. **Martinus, K**. (2018) Promoting science and innovation in peripheries: the case of bees and beekeepers as boundary objects in peri-urban landscapes. *American Association of Geographers Conference*, New Orleans, LA, 10-14 April.
30. **Martinus, K.** & Sigler, T. (2017) Spatial and non-spatial proximity dimensions of city clusters. *Australian Social Networks Analysis Conference (ASNAC)*, University of Sydney, Sydney, Nov 28-29.
31. **Martinus, K.** (2017) Labour networks connecting peripheral economics to the national innovation system. *Institute of Australian Geographers Conference*, University of Queensland, Brisbane, 11-14 July.

32. Sigler, T., Searle, G. & **Martinus, K.** (2017) Economic clustering in Australia's resource cities. *Urban Affairs Association*, Minneapolis, MN, 19-22 April.
33. **Martinus, K**. (2017) Evolution and structural change in a resource production system. *American Association of Geographers Conference*, Boston, MA, 5-9 April.
34. Sigler, T., Searle, G. & **Martinus, K.** (2016) Impacts of globalization on firm location in Australian cities. Economic Geography Symposium for Special Issue of *Australian Geographer* on 'Globalising the Australian Economy', November 3, Sydney University.
35. Sigler, T. & **Martinus, K.** (2016) World Cities or Globalised Systems? The Networks of ASX-listed Firms. *Institute of Australian Geographers Conference*, University of Adelaide, Adelaide, June 29-July 1.
36. **Martinus, K.** (2016) The evolution of innovator social networks under increasing social technology mobility: uneven scapes of concentrated clusters and dispersed connectedness. *2nd European Conference on Social Networks*, Paris France, June 14-17.
37. **Martinus, K.** (2016) Using iteratively constructed single networks as a 'trading zone' for pluralism in the enquiry continuums of city and industry relations. *American Association of Geographers Conference*, San Francisco, 29 March - 2 April.
38. **Martinus, K.** & Sigler, T. (2015) Boomtown Goes Global: Perth as an Internationally Connected Resource Hub. *Planning Boomtown and Beyond*. November 16, Fremantle, Australia.
39. Searle, G., **Martinus, K.**, Sigler, T. & Tonts, M. (2014) Globalisation and diversification of resource economies in Brisbane and Perth. *Regional Studies Association Conference*, RMIT University, 31 Aug-2 Sept.
40. **Martinus, K.** (2015) 'Advancing the Multi-Scalar Approach: Detecting Resource Geopolitical Sub-Regional Networks and Globalizing Centres'. *Doing Global Urban Research* Conference, Loughborough University, Loughborough UK, Sept 7-9.
41. **Martinus, K.** (2015) Geographies of Innovation in Peripheral Rural Communities: The Impact of Labour Diversity and Connectivity. *American Association of Geographers Conference*, Chicago, 21-25 April.
42. Sigler, T. & **Martinus, K.** (2015) 'Command, control or coordinate? Identifying regionally scaled networks using firm-level data' for special session entitled 'Recent Developments in World City Network Analyses', *American Association of Geographers Conference*, Chicago, April 21-25.
43. Searle, G., **Martinus, K.**, Sigler, T. & Tonts, M. (2014) Comparative analysis of resource economies in Brisbane and Perth. *Institute of Australian Geographers Conference*, University of Melbourne, 30-2 June.
44. Sigler, T., **Martinus, K.**, Searle, G. & Tonts, M. (2014) Proxy for global cities or cities of global production? A comparative analysis of Australian corporate geographies. *Institute of Australian Geographers Conference*, University of Melbourne, 30-2 June.
45. **Martinus, K.** (2014) Spatial patterns of innovation: placing Regional Australia in the national innovation system. *Institute of Australian Geographers Conference*, University of Melbourne, 30-2 June.
46. **Martinus, K.** (2013) '*Creating a Knowledge-Based Region through Policy Integration and Joint Governance: The Case of Kobe City in Kansai, Japan*', Asian Studies seminar series, UWA Asian Studies Department, Perth.
47. **Martinus, K.** (2013) '*Asia's Transnational Connectivity with Regional Western Australia'*, UWA Asia Day in preparation for July 2014 Asian Studies Association of Australian conference, UWA.
48. **Martinus. K.** (2013) Labour mobility and vulnerability of resource regions. *IAS Labour Geography and Alternatives to Crisis Conference*, UWA, 21-22 Nov.
49. **Martinus, K.** (2013) Two-speed economic landscapes: the case of Albany, Western Australia. *IAG Conference*, UWA, 1-4 July.
50. Khan, S., **Martinus, K.**, Papri, S. & Moeinzadeh, N. (2011) Search of Vibran-city: Malaysia's Putrajaya and Cyberjaya. *World Planning Schools Congress 2011*, 4-7 July, Perth, Western Australia**.**
